## Playing Around with Solar Cars

**Draw a diagram of your solar car after you build it.**

**After playing around with your solar car, describe problems with its design that affected its performance.**

**List ways you could solve these problems.**

**Draw a diagram of how you would redesign your solar car if you had a second opportunity.**

A large, empty rectangular box with a thin black border, intended for a student to draw a diagram of a redesigned solar car. The box occupies most of the page below the instruction.
