

Part 18: Second Design

Name: _____

Date: _____

1. Now get back together as a team and talk about what you could change to try to go faster. Make sure and present your own idea clearly. Every person on the team gets to share their idea before any decisions are made. Talk about all the ideas and agree on a second team design. The second team design does not need to be completely different from the first team design, but can be if needed. Each group member must draw the second team design when your team agrees.
