

## Part 20: Analyzing Your Designs

Name: \_\_\_\_\_

Date: \_\_\_\_\_

### Analyzing Your Two Team Designs

1. Which of your designs worked the best?

- Your First Team Design
- Your Second Team Design

2. What evidence do you have for what you marked above?

---

---

3. What do you think might not have worked so well on your designs? \_\_\_\_\_

---

---

4. What improvements would you make if you were to build a third pump? \_\_\_\_\_

---

---

### Sharing with the class

When it is your team's turn, you will each answer at least one of the questions above and show your final design to the class.
